RENEWED MOTION FOR TELEPHONE CONFERENCE

Comes now Plaintiff David Stebbins, who hereby submits the following renewed motion for his telephone conference.

This grievance does not regard a failure to respond, per se. Rather, it concerns an evasion and incomplete response. In my Fifth Interrogatory Question, I asked the defendants to state all accommodations that he provided, not just the job reassignment. He stated that he already answered that question in his response to my Fourth Interrogatory Question; however, he clearly did not.

Furthermore, in my Fourth Request for Admission, I asked him to admit that, if his claim that my motion to strike evidence (see Document #58) is granted, then he provided no other reasonable accommodations. He denied this request. Therefore, he is obviously claiming that he provided something else. Why won't he tell me what it is?

I want a phone conference in order to get this straightened out.

Wherefore, I respectfully pray that you renew the order scheduling the telephone conference.

It is so requested on this 7th day of March, 2011.

A handwritten signature in black ink that reads "David Stebbins". The signature is written in a cursive style with a large, stylized 'D' and 'S'.
